Fond du Lac Agriculture Showcase

Saturday, March 6, 2010
Fond du Lac County
Fairgrounds Recreation Building

Join Us For The Showcase!

The Agriculture Showcase gives the opportunity to the public to interact with businesses throughout Wisconsin! Most of these businesses have an agricultural aspect in the production of food goods or agricultural products. These businesses cater to all individuals, families or other businesses in the agricultural field and beyond!

Chef demonstrations have been a welcome part of the Agriculture Showcase since 2007! Big crowds turn out to learn how to make delicious main dishes and fabulous desserts, using Wisconsin products!

The 2010 Ag Showcase will feature a cooking contest open to everyone! Watch for details!

Events for youth at the Showcase have expanded during the past five years! A petting zoo is a must see during the event.

Presentations by Alice in Dairyland are a crowd favorite!

An Indy Racecar and passenger car fueled by ethanol were main attractions at past showcases.
